If you are often on your feet in the kitchen or bathroom, the Ergo Comfort [Rug](#) is a wonderful item to have under your feet. The Ergo Comfort Rug is super soft to stand on, plus provides therapeutic support to your feet, legs and back!

The Ergo Comfort Rug is easy to clean! Just take the cover off the mat and [spot clean](#) or machine wash, then dry and place back on the pad!

Ergo recently sent me the rug pictured above for my [kitchen](#). It is amazing to stand on when doing dishes or cooking. I just wish the rug was bigger. I move around [the kitchen](#) a lot, so I'm usually not standing on it for long periods of time. But when I am at the sink, it is GREAT.

Win an Ergo Comfort Rug Valued at \$69.99!

Ergo is giving away a GelPro Comfort Rug every week through May 3rd on their Facebook page! **Just "Like" them on Facebook** and submit your name to win!

And we enjoyed our Ergo Comfort Rug so much, we're giving away one [HERE](#) at MoneySavingMadness, too! Enter multiple ways using the Rafflecopter form below:
